MERCHANTS READY

ARE PREPARING HOLIDAY STOCK FOR TRADE WEEK.

ARRANGE FINE DISPLAY

Maryville Stores to Make the Most of Extra Trade Brought Here by Fare Refund.

This week it will be well for the thrifty housewife and the careful buyers to watch The Democrat-Forum with a glance akin to that of the eagle. For the many merchants who have signed the "Trade Week" agreements are going to begin showing what they have to offer to the prospective customer.

Already Maryville stores are beginning to take on a festive air. The red and the green, colors ever associated with the joys of Yuletide, are taking their places as the predominating tones in store decorations. Holiday goods are being unpacked daily, and shoppers are already making an inroad into the many holiday offerings.

Soon the holly, the mistletoe and the poinsetta will make their appearance in the windows, forming a fitting background for the thousands of articles on display. Indeed, everything will be ready for the big crowd which is going to take advantage of Trade Week and purchase holiday supplies.

Refund fare slips will be furnished all merchants who have agreed to pay their proportion of the fares to out-of-town customers during the week beginning December 2 and ending December 9. In order to have your fare refunded you should get one of these slips of the first merchant from whom you make your purchase. The slip will contain a list of all the merchants who are participating in the big fare refund, with a blank space for each one to put down the amount of your purchase. The slip is retained by you, and afterwards presented at each store at which you buy anything during the day, and then before you leave home the slip is taken to the Commercial club office, where your fare will be refunded in cash, providing your purchases amount to the sum required according to the shedule published Saturday.

By this method it will readily be seen that you do not have to buy everything from one store or the full amount required which entitles you to your fare back from any certain merchant, but on the contrary you can patronize as many different stores as you like, and if your purchases amount to the required sum your fare will be refunded in cash by presenting the slip at the Commercial club office any time before leaving for home.

The list of the merchants interested in the proposition is growing daily. Here are the signers to date:

W. B. PATTON HERE

Peculiar Comedian Will Visit Maryville Tonight in New Play, "Lazy Bill."

The many friends and admirers of W. B. Patten will be interested to learn that the peculiar comedian will visit Maryville tonight in his new play, "Lazy Bill," which is conceded by dramatic critics to be his masterpiece.

As is the case with most artists, Mr. Patton started at the bottom rung and has played a wide line of parts.

He is gifted with a personality that few comedians possess, and his delightful portrayal of Dr. Hale in "Lazy Bill" is the crowning event of his starring career. To his charm of person and quaintness of manner, and a voice which no one has ever heard could forget, it is impossible to fittingly describe the peculiar effect that lies in his acting. There is a magnetism about him, refreshing in its cleanliness and simplicity. The part of Dr. Hale in "Lazy Bill" is quaint and peculiar type which becomes alive with wit and humor, with an occasional touch of pathos, and no one need be ashamed of the tears that will force themselves at times during the action of the play. Great care has been taken in selecting the members of the cast. Some of the old members of Mr. Patton's company who have been with him for many seasons will also be seen again to advantage.

Rouse, where they remained until they were able to come on here.

DID NOT PASS BRIDGE

Wabash Pile Driver Out of Repair, Causing Delay in Passage of Dredge Boat.

The dredge boat which is excavating the new channel of the 102 river, did not get beyond the Wabash bridge yesterday, because the pile driver belonging to the railroad company was out of repair. It is thought that this piece of machinery will be ready for use by tomorrow, and the section of the bridge will then be removed to allow the dredge boat to pass.

The dredge boat will be within a mile of its destination when the bridge is passed. The company holding the contract for the completion of the ditch is expecting to finish the work by January 1.

FIX STOCK EMBARGO

SYMPTOMS OF FOOT AND MOUTH DISEASE IN MISSOURI.

PRECAUTION IS TAKEN

Authorities Not Allowing Cattle to Leave Except Those for Immediate Slaughter.

Symptoms of one case of foot and mouth disease discovered Saturday in the stock yards at St. Joseph and fifty-seven suspicious cases in the yard at Kansas City have caused an embargo to be placed on all the live stock except those for immediate slaughter.

The stock yards at Chicago will not take any Missouri stock at this time, according to notice received by the agents of the railroads today. Bellows Brothers were to have sent today several of their fine Shorthorns to the International show at Chicago, but on learning of the quarantine of the Chicago yards against Missouri stuff, changed their plans.

The yards at St. Joseph are not accepting any light hogs, according to word received today.

Since the developments in St. Joseph and Kansas City a rigid examination is being made at both places and every precaution taken to prevent the spread of the epidemic, should it prove to be such. The state and government authorities are going to be absolutely sure that there is no danger of an epidemic before they lift the embargo which has been placed on outgoing shipments. Several experts from Washington are on their way to St. Joseph and Kansas City.

MORE POTATOES APPEAR

Misses Kate Schenck and Babe Ford Add "Sweet Potatoes" to the Empire Pile.

Not to be outdone in generosity, big as well as little folks are responding to the appeal for potatoes made by the Empire theatre during the week preceding Thanksgiving.

Friday night a bushel of beauties were brought to the theatre and among them were some "sweet potatoes" brought by two of Maryville's women philanthropists, Miss Kate Schenck and Miss Babe Ford. They fully realized that potatoes only paid the "fare" of the youngsters, but they wanted to get in on the potato giving anyway. Hence the potato pile is richer by four splendid specimens furnished by these cheerful givers.

Mr. Kuehs, manager of the Empire, says that all potatoes will be thankfully received. He expects to have quite a donation for the needy by the time Thanksgiving arrives.

VILLISTA BATTLE IN DOUBT

Fifth Day of Conflict Results in Complete Isolation of Chihuahua City.

Special to The Democrat-Forum.

El Paso, Nov. 27.—The result of the Chihuahua City battle is in doubt today. General Trevino retreating northwards cannot be verified.

MAY ABOLISH ELECTORS

Sentiment is Now Favoring Election of President and Vice President by Popular Vote.

Special to The Democrat-Forum.

Washington, Nov. 27.—In many parts of the country sentiment is making itself felt for a federal amendment abolishing the electoral college and establishing the direct popular election of the president and vice president, just as was done in the case of senators a few years ago.

Due to the electoral college system, it is entirely possible for a candidate with a minority popular vote to gain a majority of the electors and be elected.

The electoral college has long been the butt of cartoonists and paragraphers. No legal restraint is placed upon them to vote except as their judgment dictates. They simply have a moral restraint to choose the men their constituents expect them to vote for.

The framers of the original constitution and of the amendment of 1804 did indeed expect the electors would just use their best judgment, irrespective of the conditions of their election. But there are scarcely any instances of electors taking the bits in their teeth and voting differently from what was expected of them.

The late Dr. Samuel Freeman Miller associate justice of the U. S. supreme court, calls the electoral college an "obstruction and a stumbling block."

These two teams have met each other on the gridiron at Thanksgiving time since 1898, and each year put up as great a game as the Missouri-Kansas game furnishes.

GOSSARD TALKS

By Miss Anna Stapler and Miss Elizabeth Heffern

"Did you ever wear a corset that you felt had not been fit correctly? It slipped up, pressed in, or was too loose in places?"

"We have known women who had all sorts of headaches, backaches, and weaknesses and never thought of blaming their corsets—yet their corsets were all to blame."

"Perhaps you're like one of these women. Won't you come here and let us prescribe the right corset for you? A Gossard made exactly for you.

"Wouldn't you like to have a corset that supported your figure, held all the vital organs in place and encouraged you to breathe deeply; that gave latest style lines? Such are the Gossard Models, one for every figure.

MISSOURI'S DRY VOTE

Safe Majority for Prohibition Outside of St. Louis—74 Counties Against Liquor.

Special to The Democrat-Forum.

Jefferson City, Nov. 27.—The official returns of the vote cast November 7 on constitutional prohibition show that the state voted dry by a majority of 5,003, with the vote of St. Louis city eliminated. With the vote of that city included, the amendment was defeated by a majority of 122,538. St. Louis returned a majority against the amendment of 128,541. Only 13,529 dry votes were cast in that city.

Prohibition was submitted in 1910 and defeated by 218,125. That year only twenty-nine counties voted dry. This time seventy-four out of the 114 counties voted dry. Several of the counties that recorded small majorities against prohibition are dry counties. In fact, twenty-one of the forty counties that gave very small majorities against prohibition do not have any licensed saloons within their jurisdiction. The city of St. Louis, St. Louis county, Buchanan, Cape Girardeau, Cole, Franklin, Gasconade, Jefferson, Lafayette, Marion, St. Francois, St. Charles and Warren are the backbone of the liquor interests' strongholds in Missouri.

Taking the vote cast in 1910 the drys have gained 113,569 votes in the state and the wets have lost 8,580.

HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results.

Return From Kansas City.

A. D. Arnett has returned home from Kansas City, where he has been buying wall paper and paints. Mr. Arnett says that the cost of wall paper and paints for the coming season will not be any higher than in the past, and he promises the trade a larger and more complete line to select from.
